of the Association's cash requirements for the Project including maintenance, repair and replacement of the Common Areas and the exterior of areas and surfaces of Lots as required by the Act and the Project Documents. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves shall be credited to the Lot Owners in proportion to their Common Expense Liability or credited to them to reduce their future Assessments for Common Expenses.

Section 8.3 Apportionment of Annual Assessments: The total Annual Assessment for any fiscal year of the Association shall be assessed to the Lots by dividing the total assessment by the total number of Lots, so that the assessment will be the same for each Lot, subject to: (a) Common Expenses which are separately metered or assessed to the Lots by third parties; (b) Common Expenses associated with some but not all Lots which shall be assigned, equally or on such other equitable basis as the Executive Board shall determine, to the Lots to which the specific ; expenses are applicable; (c) Common Expenses or portions thereof predominately or exclusively benefiting fewer than all of the Lots which shall be assessed against the Lots benefited specifically; (d) any increased cost of insurance based upon risk which shall be assessed to Lots in proportion to the risk; (e) any Common Expense caused by the misconduct of any Lot Owner(s), which may be assessed equally or on such other equitable basis as the Executive Board shall determine against such Lot Owner(s); (f) any expenses which are charged equally to the Lots and (g) the right of the Board of Managers to apportion assessments to Lots that have improvements constructed on them as opposed to vacant Lots that do not utilize services included in the Annual Assessment. All such allocations of Common Expenses to Lots on a basis other than on an equal basis shall be made at the sole discretion of the Executive Board. Any billing for an installment of an Assessment may indicate items that are specially allocated as set forth above or items that are included in the Assessment but would commonly be the separate expense of the Lot Owner, e.g., utility charges.

Section 8.4 Special Assessments: In addition to the annual Assessments authorized above, the Executive Board may at any time and from time to time determine, levy and assess in any fiscal year a Special Assessment applicable to that particular fiscal year (and for any such longer period as the Executive Board may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees and expenses of any construction, reconstruction, repair, demolition, replacement, renovation or maintenance of the Project, specifically including any fixtures and personal property related to it. Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Lot pursuant to the provisions in the Section entitled "Apportionment of Annual Assessments" set forth above. Any Special Assessment shall be subject to the same requirement for review and approval by the Lot Owners as is the annual budget.

Section 8.5 Special Purpose Assessments: All Costs of Enforcement assessed against a Lot Owner pursuant to the Project Documents, or any fine imposed by the Association against a Lot or any expense or charge which is specific to one Lot or Lots, but is not a charge or expense common to all Lots, which is the obligation of a Lot Owner pursuant to the Project Documents shall become a Special Purpose Assessment assessed against the Lot Owner's Lot. Notice of the amount and demand for payment of such Special Purpose Assessment shall be sent to the Lot Owner prior to enforcing any remedies for non-payment hereunder.

Section 8.6 Due Dates for Assessment Payments: Unless otherwise determined by the Executive Board, the Annual Assessments and any Special Assessments which are to be paid in installments shall be paid monthly in advance and shall be due and payable to the Association at its office or as the Executive Board may otherwise direct in any Management Agreement, without notice (except for the initial notice of any special Assessment), on the first day of each month. If any such installment shall not be paid within thirty (30) days after it shall have become due and payable, then the Executive Board may assess a late charge, default interest charge, fee or such other charge as the Executive Board may fix by rule from time to time to cover the extra expenses involved in handling such delinquent assessment installment. Until established or changed by the Executive Board, the default interest charge shall be made at the rate of fifteen percent (15%) per annum. A Lot Owner's assessment shall be prorated if the ownership of a Lot commences or terminates on a day other than the first day or last day, respectively, of a month or other applicable payment period.

Section 8.7 Covenant of Personal Obligation for Assessments: The Declarant, by creating the Lots pursuant to this Declaration, and all other Lot Owners, by acceptance of the deed or other instrument of transfer of his Lot (whether or not it shall be so expressed in such deed or other instrument of transfer), are deemed to

personally covenant and agree, jointly and severally, with all other Lot Owners and with the Association, and hereby do so covenant and agree to pay to the Association the (a) Annual Assessments, (b) Special Assessments, and (c) Special Purpose Assessments applicable to the Lot Owner's Lot. No Lot Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Areas or the facilities contained in the Common Areas or by abandoning or leasing his Lot.

Section 8.8 Lien for Assessments; Assignment of Rents: The Annual, Special and Special Purpose Assessments (including installments of the Assessments) arising under the provisions of the Project Documents shall be burdens running with, and a perpetual lien in favor the Association, upon the specific Lot to which such Assessments apply. To further evidence such lien upon a specific Lot, the Association shall prepare a written lien notice setting forth the description of the Lot, the amount of Assessments on the Lot unpaid as of the date of such lien notice, the rate of default interest as set by the Rules and Regulations, the name of the Lot Owner or Lot Owners of the Lot, and any and all other information that the Association may deem proper. The lien notice shall be signed by a member of the Executive Board, an officer of the Association, or the Managing Agent and shall be recorded in the Records. Any such lien notice shall not constitute a condition precedent or delay the attachment of the lien, but such lien is a perpetual lien upon the Lot and attaches without notice at the beginning of the first day of any period for which any Assessment is levied. Upon any default in the payment of Annual, Special or Special Purpose Assessments, the Association shall also have the right to appoint a receiver to collect all rents, profits, or other income from the Lot payable to the Lot Owner and to apply all such rents, profits and income to the payment of delinquent Assessments. Each Lot Owner, by ownership of a Lot, agrees to the assignment of such rents, profits and income to the Association effective immediately upon any default in the payment of Annual, Special, or Special Purpose Assessments.

Section 8.9 Remedies for Nonpayment of Assessments: If any Annual, Special, or Special Purpose Assessment (or any installment of the Assessment) is not fully paid within thirty (30) days after the same becomes due and payable, then as often as the same may happen, (a) interest shall accrue at the default rate set by the Rules and Regulations on any amount of the Assessment in default, accruing from the due date until date of payment, (b) the Association may accelerate and declare immediately due and payable all unpaid installments of the Annual Assessment or any Special Assessment otherwise due during the fiscal year during which such default occurred, (c) the Association may therefore bring an action at law or in equity, or both, against any Lot Owner personally obligated to pay the same, and (d) the Association may proceed to foreclose its lien against the particular Lot pursuant to the power of sale granted to the Association by this Declaration or in the manner and form provided by Colorado law for foreclosure of real estate mortgages. An action at law or in equity by the Association (or counterclaims or cross-claims for such relief in any action) against a Lot Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessments. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to stop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments (or installments thereof) which are not fully paid when due or for any subsequent Special Purpose Assessments. The Association shall have the power and right to bid in or purchase any Lot at foreclosure or other legal sale and to acquire and hold, lease mortgage, and to convey, or otherwise deal with the Lot acquired in such proceedings.

Section 8.10 Purchaser's Liability for Assessments: Notwithstanding the personal obligation of each Lot Owner to pay all Assessments on the Lot, and notwithstanding the Association's perpetual lien upon a Lot for such Assessments, all Purchasers shall be jointly and severally liable with the prior Lot Owner(s) for any and all unpaid Assessments against such Lot, without prejudice to any such Purchaser's right to recover from any prior Lot Owner any amounts paid thereon by such Purchaser. A Purchaser's obligation to pay Assessments shall commence upon the date the Purchaser becomes the Lot Owner of a Lot. For Assessment purposes, the date a Purchaser becomes the Lot Owner shall be determined as follows: (a) in the event of a conveyance or transfer by foreclosure, the date a Purchaser becomes the Lot Owner shall be deemed to be upon the expiration of all applicable redemption periods; (b) in the event of a conveyance or transfer by deed in lieu of foreclosure, a Purchaser shall be deemed to become the Lot Owner of a Lot upon the execution and delivery of the deed or other instruments conveying or transferring title to the Lot, irrespective of the date the deed is recorded; and (c) in the event of conveyance or transfer by deed, a Purchaser shall be deemed to become the Lot Owner of a Lot upon the execution and delivery of the deed or other instruments conveying or transferring title of the Lot, irrespective of the date the deed is recorded.

However, such Purchaser shall be entitled to rely upon the existence and status of unpaid Assessments as shown upon any certificate issued by or on behalf of the Association to such named Purchaser pursuant to the provisions set forth below in this Declaration.

Section 8.11 Waiver of Homestead Exemption; Subordination of Association's Lien for Assessments: By acceptance of the deed or other instrument of transfer of a Lot, each Lot Owner irrevocably waives the homestead exemption provided by Part 2, Article 41, Title 38, Colorado Revised Statutes, as amended. The Association's perpetual lien on a Lot for Assessments shall be superior to all other liens and encumbrances except the following:

- (a) real property ad valorem taxes and special assessment liens duly imposed by a Colorado governmental or political subdivision or special taxing district, or any other liens made superior by statute; and
- (b) the lien of any First Mortgagee except to the extent the Act grants priority for Assessments to the Association.

Any First Mortgagee who acquires title to a Lot by virtue of foreclosing a First Mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any Purchaser at a foreclosure sale of the First Mortgage, will take the Lot free of any claims for unpaid Assessments and Costs of Enforcement against the Lot which accrue prior to the time such First Mortgagee acquires title to the Lot except to the extent the amount of the extinguished lien may be reallocated and assessed to all Lots as a Common Expense and except to the extent the Act grants lien priority for Assessments to the Association. All other persons not holding liens described in this Section and obtaining a lien or encumbrance on any Lot after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association's lien for Assessments and Costs of Enforcement as provided in this Article, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

Sale or other transfer of any Lot, (a) except as provided above with respect to First mortgagees, (b) except in the case of foreclosure of any lien enumerated in this Section and (c) except as provided in the next Section, shall not affect the Association's lien on such Lot for Assessments due and owing prior to the time such Purchaser acquired title and shall not affect the personal liability of each Lot Owner who shall have been responsible for the payment thereof. Further, no such sale or transfer shall relieve the Purchaser of a Lot from liability for, or the transfer shall relieve the Purchaser of a Lot from liability for, or the Lot from the lien of, any Assessments made after the sale or transfer.

Section 8.12 Statement of Status of Assessments: Upon ten (10) days' written notice to the Managing Agent or Executive Board and payment of a reasonable fee set from time to time by the Executive Board, any Lot Owner, holder of a Security Interest, prospective Purchaser of a Lot or their designees shall be furnished a statement of the Lot Owner's account setting forth:

- (a) the amount of any unpaid Assessments then existing against a particular Lot;
- (b) the amount of the current installments of the annual Assessment and the date that the next installment is due and payable;
- (c) the date(s) for payment of any installments of any special Assessments outstanding against the Lot; and
- (d) any other information, deemed proper by the Association, including the amount of any delinquent Assessments created or imposed under the terms of this Declaration.

Upon the issuance of such a certificate signed by a member of the Executive Board, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such certificate is addressed and who rely on the certificate in good faith.

ARTICLE 9. MAINTENANCE AND REPAIR RESPONSIBILITY

Section 9.1 Common Areas: The Association is herewith charged with the direct and continuing responsibility for maintenance, repair, replacement, operation, protection, extension and improvement of the Common Areas. The obligations of the Association as set forth herein shall include, but shall not be limited to, all maintenance, including snow removal, of any private driveways and parking areas serving the Property.

Section 9.2 Exterior and Perimeter Area Maintenance and Repair:

(a.) In addition to maintenance of and improvements to the Common Areas, the Association shall provide exterior surface maintenance and repair of each Lot which is subject to assessment hereunder, including, but not limited to the following: paint, repair, replacement, maintenance and care of roofs, gutters, downspouts, exterior walls, porches, decks, patios and steps. All other maintenance shall be by the Lot Owner. The Association's exterior maintenance responsibility shall not include cleaning or replacement of glass surfaces or snow removal from or cleaning of porches, decks, patios or steps of each Lot. The Association may assume responsibility for the maintenance of perimeter areas such as the unimproved portions of the Lots. In addition, each Lot Owner shall be required to keep the external areas of their Lot, including the patios, deck and steps clean and in compliance with the Rules and Regulations. Those areas excluded from maintenance responsibility by the Association shall be the responsibility of each Lot Owner.

(b.) In the event that the need for maintenance or repair of the exterior of any Improvement on the Perimeter Area or any Common Element is caused through the willful or negligent acts of the family, tenants, guests or invitees of an Owner, the cost of such maintenance or repair shall be added to and become part of the assessment for the Lot owned by said Owner.

(c.) Whenever the Association determines that (a) damages occur to Lots or Common Areas, or (b) expenses are incurred by the Association, due to any kind of malfunction of equipment, fixtures, service lines or personal property, the Manager shall investigate to determine whether the damages or expenses were caused by the failure of the Owner to keep a Lot in good repair and condition (including preventative maintenance work) or by the negligence or tortuous act of any Owner, etc. Any determination may be rebutted by the Owner, and Owners shall be entitled to a hearing by making a written request for a hearing.

(d.) The Association shall seek reimbursement from an Owner or insurance company for any losses, damages and expenses caused by (a) any failure to maintain and repair a Lot and fixtures within a Lot, or (b) the negligence or tortuous acts of any Owner, etc. The Owner of the Lot and fixtures that cause the damages and expenses shall be liable to the Association for any such losses, damages and expenses, but may obtain public liability insurance to cover the liability.

ARTICLE 10. PARTY WALLS

Section 10.1 Party Walls:

(a.) General Rules of Law to Apply: Each wall which is built as a part of the original construction of any of the Lots subject to this Declaration and is located or placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b.) Sharing of Repair and Maintenance: The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners of the Lots on either side of such party wall.

(c.) Destruction by Fire or Other Casualty: If a party wall is destroyed or damaged by fire or other casualty, either Owner of the Lots on either side of the wall may restore it, and the Owner of the Lot on the other side of the wall shall contribute one-half (½) of the cost of restoration thereof, without prejudice, however, to the right of any such Owner to call for a larger contribution from the other Owner under any rule of law regarding

liability for negligent or willful acts or omissions.

(d.) Right to Contribution Runs with Land: The right of any Owner to contributions from any other Owner under this Article shall be appurtenant to the land and shall pass to each such Owner's successors in title.

ARTICLE 11. MECHANICS' LIENS

Section 11.1 Mechanics' Liens: Subsequent to recording of this Declaration and the filing of the Plat in the Records, no labor performed or materials furnished for use and incorporated in any Lot with the consent of or at the request of the Lot Owner or the Lot Owner's agent, contractor or subcontractor, shall be the basis for the filing of a lien against a Lot of any other Lot Owner not expressly consenting to or requesting the same, or against any interest in the Common Areas. Each Lot Owner shall indemnify and hold harmless each of the other Lot Owners, the Association and the Declarant from and against any liability or loss arising from the claim of any mechanics' lien or for labor performed or for materials furnished in work on such Lot Owner's Lot, against the Lot of another Lot Owner or against the Common Areas, or any part thereof.

Section 11.2 Enforcement by the Association: At its own initiative or upon the written request of any Lot Owner (if the Association determines that further action by the Association is proper), the Association shall enforce the indemnity provided by the provisions of this Article by collecting from the Lot Owner of the Lot on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanics' lien, including all costs and reasonable attorneys' fees incidental to the lien, and obtain a release of such lien. If the Lot Owner of the Lot on which the labor was performed or materials furnished refuses or fails to indemnify within five (5) days after the Association shall have given notice to such Lot Owner of the total amount of the claim, then the failure to so indemnify shall be a default by such Lot Owner under the provisions of this Section, and such amount to be indemnified shall automatically become a Special Purpose Assessment determined and levied against such Lot, and enforceable by the Association pursuant to this Declaration.

ARTICLE 12. USE RESTRICTIONS

Section 12.1 Use of Lots: Except for uses reserved to Declarant in the Article entitled "Special Declarant Rights and Additional Reserved Rights", and subject to the terms hereof, all Lots, shall be used for dwelling and lodging purposes only. Lot Owners of the Lots may rent or lease such Lots to others for these purposes and may use these Lots for home occupations which do not cause unreasonable disturbance to other Lot Owners and which are permitted by applicable zoning codes.

Section 12.2 Use of Common Areas: There shall be no obstruction of the Common Areas, nor shall anything be kept or stored on any part of the Common Areas by any Lot Owner without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from the Common Areas by any Lot Owner without the prior written approval of the Association.

Section 12.3 Prohibition of Increases in Insurable Risks and Certain Activities: Nothing shall be done or kept in any Lot or in or on the Common Areas, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Project or in an increase in the rate of the insurance on all or any part of the Project or Lots over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Lot or in or on the Common Areas which would be in violation of any statute, rule, ordinance, regulation, permit or other imposed requirement of any governmental body having jurisdiction over the Project. No damage to or waste of the Common Areas shall be committed by any Lot Owner, or Purchaser. Failure to so indemnify shall be a default by such Lot Owner under this Section. At its own initiative or upon the written request of any Lot Owner (and if the Association determines that further action by the Association is proper), the Association shall enforce the foregoing indemnity as a Special Purpose Assessment levied against such Lot.

Section 12.4 Structural Alterations and Exterior Appearance: No structural alterations to any Lot, including the construction of any additional skylight, window, door, the alteration or enclosure of any external deck, stairs or patios or other alteration visible from the exterior of the Lot or to any Common Element shall be made or caused to be made by any Lot Owner without the prior written approval of the Declarant during the Period of

Declarant Control and thereafter the Association. No window coverings or other improvements, alterations or decorations visible from outside a Lot shall be added by a Lot Owner without the prior written approval of the Declarant during the Period of Declarant Control and thereafter the Association. No alteration or subdivision of Lots or relocation of boundaries between adjoining Lots shall be made by the Lot Owners without the prior written approval of the Declarant during the Period of Declarant Control and thereafter by the Association. The Association shall promulgate Rules and Regulations establishing procedures for the approvals required by this Section. Such Rules and Regulations shall include, but shall not be limited to, requirements that the applicant submit plans and specifications showing the nature, kind, shape, height, color, materials and location of the proposed alterations in sufficient detail for the Association and Declarant to review them, and pay any processing and/or review fees, which may include any professional fees the Association or Declarant might incur in retaining architects or engineers to review the plans and specifications. The Rules and Regulations shall specifically consider the impact of the alteration on the harmony of external design and location in relation to surrounding structures and topography.

Section 12.5 Other Use Restrictions: No animal pens, sheds, fences or other outbuildings of any kind shall be erected by any Lot Owner. No activity shall be allowed which interferes unduly with the peaceful possession and proper use of the Project by the Lot Owners, nor shall any fire hazard or unsightly accumulation of refuse be allowed. No lights shall be emitted which are unreasonably bright or cause unreasonable glare; no sound shall be emitted which is unreasonably loud or annoying; and no odor shall be emitted which is nauseous or offensive to others. No animals, birds, insects or livestock of any kind shall be raised, bred, or kept on or in the Project. Lot Owners shall be permitted to keep a reasonable number of domesticated dogs, cats or other household pets, subject to Rules and Regulations adopted by the Executive Board.

Section 12.6 Limit on Timesharing: No Lot Owner shall offer or sell any interest in such Lot under a "timesharing" or "interval ownership" plan, or any similar plan without the specific prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association.

Section 12.7 Restriction on Signs: No signs, billboards, posterboards or advertising structure of any kind shall be displayed, erected or maintained for any purpose whatsoever except such signs as have been approved by the Declarant during the Period of Declarant Control, and thereafter the Association. Any signs which are permitted under the foregoing restrictions shall be erected or maintained on the Project only with the prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association, which approval shall be given only if such signs are of attractive design and as small a size as reasonably possible and shall be placed or located as directed or approved by the Declarant or the Association. Notwithstanding the foregoing, no signs advertising Lots for sale or for rent may be displayed in windows of Lots or on balconies or patios or in any other location on the Lot or on the Common Areas, that is visible from the Common Areas or adjacent property.

Section 12.8 Antennas: No exterior television or radio antennas of any sort shall be placed, allowed or maintained upon the Property without prior written approval and authorization by the Board of Directors, and any such antenna allowed shall be placed in such a manner as to be hidden from view, as much as is possible, from all Lots which it does not serve;

Section 12.9 Fireplaces: No fireplace or other similar device installed in any Lot shall be used to burn wood or any other solid fuel. Fireplaces and other similar devices (producing a flame) shall use and burn only natural gas.

Section 12.10 Rubbish: Refuse piles or other unsightly objects or materials shall not be allowed to be placed or to remain upon the Property. The Association shall have the right to remove such refuse piles or other unsightly objects or materials at the expense of the Owner responsible therefor, and any entry upon or into an Owner's Lot for the purpose of enforcing this provision shall not be deemed a trespass provided three (3) days prior notice has been given to the Owner and the Owner failed to remove same during said three (3) day period;

Section 12.11 Mailboxes: No free-standing mailbox or newspaper box shall be erected unless approved by the Board of Directors;

Section 12.12 Trash: Trash, garbage or other waste shall be disposed of in a sanitary manner, pursuant to rules and regulations adopted by the Association. In the event there is no common trash dumpster or removal of trash provided for the Project, each Lot Owner shall be responsible for removal of trash generated within that

Owner's Lot and shall be required to independently contract for and have trash removed. All trash containers must be kept indoors at all times except on trash pickup day. All containers must have lids securely in place when outside. The foregoing notwithstanding, the Association may contract with one company for trash removal for all Lots, in which event the Board of Directors shall promulgate rules and regulations pertaining to trash removal which rules and regulations shall be binding upon all Lot Owners.

Section 12.13 Storage of Boats and Recreational Vehicles: No boats, watercraft, trailers or recreational vehicles may be stored overnight on the Lots and the Association may adopt Rules & Regulations concerning the same.

Section 12.14 Parking: Parking shall be prohibited in non-designated areas on the Common Areas.

ARTICLE 13. EASEMENTS

Section 13.1 Easement of Enjoyment: Every Lot Owner shall have a non-exclusive easement for the use and enjoyment of the Common Areas, which shall be appurtenant to and shall pass with the title to every Lot, subject to the easements set forth in this Article. Such easement of enjoyment shall include the right of owners to use portions of the Common Areas for parking subject to the rules and regulations of the Association.

Section 13.2 Delegation of Use: Any Lot Owner may delegate, in accordance with the Project Documents, the Lot Owner's right of enjoyment in the Common Areas to an Occupant of the Lot Owner's Lot.

Section 13.3 Recorded Easements: The Property shall be subject to any easements as shown on any recorded Plat affecting the Property, and as shown on the recorded Plat and as reserved or granted under this Declaration.

Section 13.4 Easements for Encroachments: The Project, and all portions of it, are subject to easements hereby created for encroachments between Lots and the Common Areas as follows:

- (a) in favor of all Lot Owners so that they shall have no legal liability when any part of the Common Areas encroaches upon a Lot:
- (b) in favor of each Lot Owner so that the Lot Owner shall have no legal liability when any part of his Lot encroaches upon the Common Areas or upon another Lot; and
- (c) in favor of all Lot Owners, the Association, and the Lot Owner of any encroaching Lot for the maintenance and repair of such encroachments.

Encroachments referred to in this Section include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Improvements or any Lot constructed on the Property, by error in the Plat, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Project or encroachments for eaves, roofs, dormers or other portions of a Lot on or over the Common Areas. Such encroachments shall not be considered to be encumbrances upon any part of the Project; provided, however, that encroachments created by the intentional act of a Lot Owner shall not be deemed to create an easement on the Property and shall be considered an encroachment upon the Project. Such encroachment shall be removed at Lot Owner's expense immediately upon notice from the Association. In the event such encroachment is not timely removed, the Association may effect removal of the encroachment and the expense thereof shall be a Special Purpose Assessment to the Lot Owner.

Section 13.5 Utility Easements: There is hereby created a general easement upon, across, over, in and under all of the Property for ingress and egress and for the installation, replacement, repair and maintenance of all utilities, including but not limited to water, sewer, gas, telephone, electricity, crawl spaces, sprinkler systems and cable communication system. By virtue of this easement, it shall be expressly permissible and proper for the companies providing such utilities to erect and maintain the necessary equipment on the Property and to affix and maintain electrical, communications and telephone wires, circuits, pipes and conduits under the Property. Any

utility company using this general easement shall use its best efforts to install and maintain the utilities provided without disturbing the uses of other utilities, the Lot Owners, the Association and Declarant; shall complete its installation and maintenance activities as promptly as reasonably possible; and shall restore the surface to its original condition as soon as possible after completion of its work. Should any utility company furnishing a service covered by this general easement request a specific easement by separate recordable document, Declarant or the Executive Board shall have, and are hereby given, the right and authority to grant such easement upon, across, over or under any part or all of the Property without conflicting with the terms hereof. The easements provided for in this Section shall in no way affect, avoid, extinguish or modify any other recorded easement on the Property.

Section 13.6 Maintenance Easement: An easement is hereby granted to the Association and any Managing Agent and their respective officers, agents, employees and assigns upon, across, over, in and under the Common Areas and a right to make such use of the Common Areas as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 13.7 Easements of Access for Repair, Maintenance and Emergencies: The Lot Owners of other Lots and the Association shall have the irrevocable right, to be exercised by the Association as the Lot Owners' agent, to have access to each Lot and to all Common Areas from time to time during such reasonable hours as may be necessary for the maintenance, repair, removal or replacement of any of the Common Areas therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Areas or to any Lot. Unless caused by the negligent or willful act or omission of a Lot Owner or Occupant, damage to the interior of any part of a Lot resulting from the maintenance, repair, emergency repair, removal or replacement of any of the Common Areas or as a result of emergency repair within another Lot at the instance of the Association or of the Lot Owners shall be a Common Expense.

Section 13.8 Easements Deemed Created: All conveyances of Lots hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article, even though no specific reference to such easements or to this Article appears in the instrument for such conveyance.

ARTICLE 14. SPECIAL RIGHTS AND ADDITIONAL RESERVED RIGHTS

Section 14.1 Special Declarant Rights: The Declarant hereby reserves the right, from time to time, to perform the acts and exercise the rights hereinafter specified (the "Special Declarant Rights"). Declarant's Special Declarant Rights include the following:

- (b) Sales Management and Marketing: The right to maintain sales offices, management offices, signs advertising the Project and models within designated Lots and on the Common Areas. The number, size and location of sales offices, management offices and models shall be specified on the Plat. Declarant shall have the right to relocate sales offices, management offices and models to comparable Lots or areas on the Common Areas.
- (c) Construction Easements: The right to use easements through the Common Areas for the purpose of making improvements within the Project or within Real Estate which may be added to the Project.
- (d) Merger: The right to merge or consolidate the Project with another Project of the same form of ownership.

- (f) Amendment of Declaration: The right to amend this Declaration in connection with the exercise of any Development Rights.

- (g) Amendment of Plat: The right to amend the Plat in connection with the exercise of any Development Rights. Without limiting the foregoing if the Declarant elects to develop the Property in separate phases or filings it shall have the right to amend the Plat or Amendments thereto to show the actual location of Lots after completion of construction of a Lot and to thereby change the location of the Common Areas to be owned by the Association.
- (h) Signs: The right to maintain signs on the Common Area advertising the Project.

Section 14.2 Additional Reserved Rights: In addition to the Special Declarant Rights set forth in Section 14.1 above, Declarant also reserves the following additional rights (the "Additional Reserved Rights"):

- (a) Dedications: The right from time to time to establish, by dedication or otherwise and to vacate utility and other easements for purposes including but not limited to streets, paths, walkways, skiways, drainage, recreation areas, parking areas, driveways, ducts, shafts, flues, conduit installation areas and to create other reservations, exceptions and exclusions for the benefit of and to serve the Lot Owners within the Project.
- (b) Use Agreements: The right to enter into, establish, execute, amend and otherwise deal with contracts and agreements for the use, lease, repair, maintenance or regulation of parking, and/or recreational facilities, which may or may not be a part of the Project for the benefit of the Lot Owners and/or the Association.

- (d) Other Rights: The right to exercise any Additional Reserved Rights created by any other provision of this Declaration.

Section 14.3 Limitations on Special Declarant Rights and Additional Reserved Rights: Unless sooner terminated by an amendment to this Declaration executed by the Declarant, any Special Declarant Rights or Additional Reserved Rights may be exercised by the Declarant anywhere on the Property or within the Improvements so long as the Declarant (a) owns any Lot; or (b) holds a Security Interest in any Lot(s), or for ten (10) years after the date of recording this Declaration, whichever eventuality grants to Declarant the longest possible period for exercise of Special Declarant Rights.

Section 14.4 Interference with Special Declarant Rights: Neither the Association nor any Lot Owners may take any action or adopt any Rule and/or Regulation that will interfere with or diminish any Special Declarant Rights or Additional Reserved Rights without the prior written consent of the Declarant. In the event any controversy, dispute or litigation involving exercise of the reserved Special Declarant Rights by Declarant, this Declaration shall be interpreted so as to give the Declarant the broadest, most flexible Special Declarant Rights allowed by the Act.

Section 14.5 Rights Transferable: Any Special Declarant Rights or Additional Reserved Rights created or reserved under this Article for the benefit of Declarant may be transferred to any person by an instrument describing the rights transferred to any person by an instrument describing the rights transferred and recorded in the Records. Such instrument shall be executed by the transferor Declarant and the transferee.

ARTICLE 15. INSURANCE AND INDEMNIFICATION

Section 15.1 Insurance: All insurance, other than title insurance, carried in connection with the Lots, Buildings, Property, Common Areas or improvements thereon or thereto shall be governed by the provisions of this Article 16.

Section 15.2 Insurance Requirements Generally:

(a) The Association shall obtain and maintain in full force and effect at all times, certain casualty, liability, and other insurance as hereinafter provided. All such insurance shall be obtained, to the extent possible, from responsible companies duly authorized and licensed to do business in the State of Colorado.

(b) To the extent possible, the casualty, property, and liability insurance shall: (i) provide for a waiver of subrogation by the insurer as to claims against the Association, its directors, officers, employees, agents, and members; (ii) provide that the insurance cannot be canceled, invalidated or suspended on account of the conduct of the Association, its officers, directors, employees, and agents; and (iii) provide that the policy of insurance shall not be terminated, canceled or substantially modified without at least thirty (30) days prior written notice to the Association; and provide as required by Section 313 of the Act, as it may be amended from time to time.

(c) Any insurance policy may contain such deductible provisions as the Association deems consistent with good business practice and which shall be consistent with the requirements of the holders of any first mortgage or deeds of trust. Any loss falling within the deductible portion of a policy shall be borne by the Association. The cost and expense of all insurance obtained by the Association shall be paid out of Association funds collected by assessments and otherwise as elsewhere provided in this Declaration.

Section 15.3 Casualty Insurance:

(a) The Association or its agents shall obtain and maintain at all times insurance coverage providing all risk coverage or the nearest equivalent available for the full replacement cost of the improvements on the Common Areas, and any personal property of the Association. The insurance shall name the Association as the insured, and shall provide that it cannot be canceled by the insurance company until after at least thirty (30) days prior written notice is given to the Association.

(b) The insurance described in this paragraph shall be inflation coverage insurance, if such insurance is available, which insurance at all times represents one hundred percent (100%) of the replacement value of the improvements except land, foundation, excavation and other items normally excluded.

Section 15.4 Public Liability and Property Damage Insurance: The Association shall obtain and maintain comprehensive general liability insurance including non-owned and hired automobile liability coverage, owned automobile liability coverage (if there are any owned automobiles), personal injury liability coverage covering liabilities of the Association, its officers, directors, employees, agents, and members arising in connection with ownership, operation, maintenance, occupancy, or use of the Common Areas and any other area the Association is required to restore, repair, or maintain pursuant to this Declaration with bodily injury liability limits not less than Two Million Dollars (\$2,000,000.00) for each occurrence and property damage liability limits of not less than One Million Dollars (\$1,000,000.00) aggregate. Each policy shall include a "severability of interest" endorsement.

Section 15.5 Insurance by Owners: (a) Unless otherwise obtained by the Association, each Owner shall obtain and maintain, at such Owner's cost and expense, casualty, hazard, and liability insurance for that Owner's Lot and all of the improvements located thereon, in an amount deemed adequate by the Association, which amount for such casualty insurance shall be equal to one hundred percent (100%) of the replacement cost of that portion of such Owner's Lot and except as provided by this Article, the Association shall not be responsible for providing any such insurance. The Association shall be named as an additional insured on every policy of casualty insurance carried by any Owner covering any Lot or Building, or any portion thereof, and shall be a payee of all sums payable under each such policy which sums are paid for a casualty claim due to loss or damage to any Building. The Association may require that each Owner provide to the Association the name and address of such Owner's insurance carrier and the policy number of each policy providing insurance coverage on such Owner's Lot.

The failure of any Owner to carry casualty insurance on such Owner's Lot shall render that Owner liable to the Association in an amount equal to any and all payments for claims which would have, had such insurance been in force and effect at the time of any loss, been made payable in full or in part to the Association, or in an amount equal to the loss or damage which would have been covered by such insurance, whichever is greater, plus all reasonable costs of collection thereof.

Instead of requiring individual Lot Owners to obtain such hazard and casualty liability insurance on their Lots, the Association may elect to obtain a blanket insurance policy on behalf of all Owners, which policy may or may not provide for coverage of personal property or interior contents for each individual Lot. The costs thereof shall be assessed to the Lot Owner as a Special Purpose Assessment as provided herein.

Section 15.6 Other Insurance: The Executive Board may also procure insurance against such additional risks of a type normally carried with respect to properties of comparable character and use that the Executive Board deems reasonable and necessary in order to protect the Condominium Project, the Association and the Unit Owners.

Section 15.7 Owners' Policies: Each Owner may obtain additional insurance at his own cost for his own benefit so long as all such policies shall contain waivers of subrogation and provide further that the liability of the carriers issuing the insurance to the Association hereunder shall not be affected or diminished by reason of any such insurance carried by any Owner.

Section 15.8 Required Provisions: All insurance policies carried to the requirements of this Article must provide that:

- (a) each Owner is an insured person under the policy with respect to liability arising out of such Owner's interest in the Common Elements or membership in the Association;
- (b) the insurer waives its rights to subrogation under the policy against any Owner or member of its household;
- (c) no act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be condition to recovery under the policy;
- (d) if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the risks covered by the policy, the Association's policy provides primary insurance. This shall include policies of insurance obtained for Quarter Ownership Property;
- (e) any loss covered by the policies must be adjusted with the Association;
- (f) the insurance proceeds for any loss shall be payable to the Association and not to any holder of a Security Interest;
- (g) the insurer shall issue certificates or memoranda of insurance to the Association and, upon request, to any Owner or holder of a Security Interest; and
- (h) the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association and any Owner(s) to whom a certificate or memorandum of insurance has been issued at their respective last known address.

Section 15.9 Notice Upon Loss: In the event of any damage or destruction to, or loss to, a Lot, written notice of such damage or loss shall be given by the Owner to the Association within ten (10) days after the later of the occurrence of such event or receipt of notice by the Owner of such event. In the event that there shall be any damage or destruction to, or loss to a Lot or Building which exceeds Five Thousand Dollars (\$5,000.00), then written notice of such damage or loss shall be given by the Owner to the Association and to the holder of the first mortgage or deed of trust on the Lot upon which Lot is located within ten (10) days after the later of the occurrence of such event or receipt of notice by the Owner of such event.

Section 15.10 Other Insurance: The Association may obtain such additional insurance coverage against such additional risks as it shall determine to be appropriate.

Section 15.11 Indemnification:

(a) Indemnification. The Association shall indemnify each Director, Officer, property manager, their respective successors, personal representatives, and heirs, against all losses, costs and expenses, including attorney's fees, reasonably incurred by them in connection with any action, suit or proceeding to which they may be made a party by reason of their position with or employment by the Association, except as to matters as to which such person(s) shall be finally adjudged in such action, suit or proceeding to be liable for gross negligence or willful misconduct. In the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of his duty as such Director, Officer or property manager in relation to the matter involved. The foregoing rights shall not be exclusive of other rights to which such Director, Officer or property manager is entitled. All liability, loss, damage, cost and expense incurred or suffered by the Association by reason of or arising out of or in connection with the foregoing indemnification provisions shall be treated and handled by the Association as a common expense, provided, however, that nothing in this Section 16 contained hereto shall be deemed to obligate the Association to indemnify any member or Owner who is or has been a Director, Officer or property manager of the Association with respect to any duties or obligations assumed or liabilities incurred by him as a member or Owner under and by virtue of this Declaration.

(b) No independent contractor, including a Director, Officer, member or Owner providing services to the Association as an independent contractor, shall be protected by this indemnification provision, any indemnification provision provided for in the Bylaws of the Association or any insurance policy obtained by the Association in relating to any such indemnification provision.

Section 15.12 Adjustment of Claims: The Association may adopt and establish written non-discriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles and any other matters of claims adjustment. To the extent the Association settles a property insurance claim, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration of all deductibles paid by the Association.

ARTICLE 16. DAMAGE AND DESTRUCTION OF LOTS

Section 16.1 Association as Attorney-In-Fact:

(a) This Declaration does hereby make mandatory the irrevocable appointment of an attorney-in-fact to deal with all Lots in the Project upon their total or partial destruction.

(b) Title to any Lot is declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed from the Declarant or from any subsequent Owner shall constitute appointment of the attorney-in-fact herein provided. All of the Owners irrevocably constitute and appoint the Association, in their names, place, and stead for the purpose of dealing with the Lot upon the total or partial destruction of any Lot. As attorney-in-fact, the Association, by its officers, shall have full and complete authorization, right and power to make, execute, and deliver any contract, deed or any other instrument with respect to the interest of an Owner which is necessary and appropriate to exercise the power herein granted. Repair and reconstruction of the Improvement(s) means restoring the Improvements to substantially the same condition in which it existed prior to the damage, with each Improvement and Lot having substantially the same vertical and horizontal boundaries as before. Except as otherwise herein provided, the proceeds of any insurance collected shall be available to the Association for the purpose of repair, restoration, or replacements unless the Owners and all Mortgagees agree not to rebuild in accordance with the

provisions set forth herein.

(c) Assessments by the Association for those purposes stated herein shall not be abated during the period of insurance adjustment and repair and reconstruction.

Section 16.2 Reconstruction: In the event of damage or destruction to any Improvement or Lot, the insurance proceeds, if sufficient to reconstruct the Improvement or Lot(s) shall be applied by the Association, as attorney-in-fact, to such reconstruction, and the Improvement or Lot(s) shall be promptly repaired and reconstructed. The Association shall have full authority, right, and power, as attorney-in-fact, to cause the repair and restoration of the or Lots.

Section 16.3 Deficiency of Insurance: If the insurance proceeds are insufficient to repair and reconstruct the Improvements or Lots, such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and the proceeds of an assessment to be made by the Association against each of the Lots in an Improvement which have been damaged or destroyed, and their Owners. Such deficiency assessments shall be a common expense and made pro rata according to the number of Lots which have sustained damage or destruction, and shall be due and payable within thirty (30) days after written notice thereof. The Association shall have full authority, right and power, as attorney-in-fact, to cause the repair or restoration of a Lot using all of the insurance proceeds and such assessment. The assessment provided for herein shall be a debt of each Owner and a lien on his Lot and be enforced and collected as is provided in Article 8 hereof.

Section 16.4 Extended Destruction: In the event that insurance proceeds are insufficient to repair an Improvement or Lot(s), and if such damage is more than sixty-six and two thirds percent (66 2/3%) of the total replacement cost of all the Improvements or Lots constructed on the Property, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, as provided in Section 17.3 hereof, except that the Owners representing an aggregate ownership interest of seventy-five percent (75%) or more of the Lot and all of the holders of Mortgages of record may agree not to repair or reconstruct the Improvement or Lot(s). In such an event, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association the Property and all remaining improvements thereon shall be sold by the Association pursuant to the provisions of this paragraph as attorney-in-fact, for all of the Owners, free and clear of the provisions contained in this Declaration, the Plat of the Property, the Articles of Incorporation, and Bylaws. Assessments shall not be abated during the period prior to sale. The insurance settlement proceeds shall be collected by the Association, such proceeds shall be divided by the Association equally, and such divided proceeds shall be paid into separate accounts, each such account representing one of the Lots. Each such account shall be in the name of the Association, and shall be further identified in the name of the Association, and shall be further identified by Lot designation and the name of the Owner. From each separate account, the Association, as attorney-in-fact shall use and disburse the total amount of each such account without contribution from the account to another toward the partial or full payment of the lien of any Mortgage encumbering the Lot represented by such separate account. Thereafter, each such account shall be supplemented by the apportioned amount of the proceeds obtained from the sale of the entire property. Such apportionment shall be used and disbursed, without contribution, from one account to another by the Association, as attorney-in-fact, in the following order:

- (a) for payment of the balance of the lien of any first mortgage or deed of trust;
- (b) for payment of taxes and special assessment liens in favor of any assessing entity;
- (c) for payment of unpaid Assessments;
- (d) for payment of junior mortgages, deeds of trust and other encumbrances in the order of and to the extent of their priority; and
- (e) the balance remaining, if any, shall be paid to the Lot Owner.

ARTICLE 17. CONDEMNATION

Section 17.1 Consequences of Condemnation: If at any time or times pursuant to this Declaration, all or any part of the Property shall be taken or condemned by any public authority, or sold or otherwise disposed of in lieu or in avoidance of such condemnation, the provisions of this Article shall apply.

Section 17.2 Proceeds: All compensation, damages, or other proceeds therefrom, the sum of which is hereafter called the "Condemnation Award", shall be payable to the Association.

Section 17.3 Complete Taking:

(a) In the event that the entire Project is taken or condemned, or sold, or otherwise disposed of in lieu of or in avoidance of a condemnation, ownership pursuant to this Declaration shall terminate. The Condemnation Award shall be apportioned equally among the Owners, provided that if a standard different from the value of the Property as a whole is employed to measure the Condemnation Award in the negotiation, judicial decree, or otherwise, the same standard shall be employed to the extent it is relevant and applicable, in determining the share of each individual Lot Owner.

(b) The Association shall disburse any Condemnation Award as soon as practicable in the same manner provided for the distribution of sales proceeds in Article 16, Section 4.

Section 17.4 Partial Taking: In the event that less than the entire Project is taken or condemned, or sold, or otherwise disposed of in lieu of or in avoidance thereof, ownership hereunder shall not terminate. Each Owner shall be entitled to a share of the Condemnation Award to be determined as herein provided. As soon as practicable the Association shall, reasonably and in good faith, allocate the Condemnation Award between compensation, damages, or other proceeds, and shall apportion the amounts so allocated to taking or injury as follows; (1) the respective amount allocated to the taking or injury to a particular Lot shall be apportioned to that particular Lot, (ii) the total amount allocated as severance damages shall be apportioned to those Lots which were not taken or condemned, (iii) the amount allocated to consequential damages and any other taking or injuries shall be apportioned as the Association determines to be equitable in the circumstances. If an allocation of the Condemnation Award is already established in negotiation, judicial decree, or otherwise, then in allocating the Condemnation Award the Association shall employ such allocation to the extent it is relevant and applicable. Disbursement of apportioned proceeds shall be made by checks payable jointly to the respective Owners and their respective Mortgagees.

Section 17.5 Reorganization: In the event a partial taking results in the taking of a complete Lot, the Owner thereof automatically shall cease to be a member of the Association, and such Owner's interest shall thereupon terminate, and the Association, as attorney-in-fact for such Owner, may take whatever action is necessary and execute such documents as are necessary to reflect such termination. Thereafter, the Association shall reallocate the ownership, voting rights, and assessment ratio determined in accordance with this Declaration according to the same principles employed in this Declaration at its inception and such reallocation or amendment of this Declaration.

ARTICLE 18. SPECIAL CONSIDERATION

Section 18.1 Two-Thirds Vote: Except as otherwise provided for herein, unless at least sixty seven percent (67%) of the Owners of the Lots (based upon one vote for each Lot) on the Project have given their prior written approval, the Association shall not:

(a) by act or omission seek to abandon, partition, encumber, sell or transfer the Common Areas owned, directly or indirectly, by the Association for the benefit of the Lots, provided, however, that the granting of easements for public utilities or for other public purposes consistent with the intended use of such Common Areas shall not be deemed a transfer within the meaning of this clause;

(b) change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot or an Owner;

(c) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of buildings, the exterior maintenance of buildings, the maintenance of the Common Areas;

First Mortgagees making such payments shall be owed immediate reimbursement from the Association.

Thereafter, these Covenants shall be automatically extended for five (5) successive periods of ten (10) years each, unless otherwise terminated or modified as provided in this Article.

Section 20.2 Amendment of Declaration: Except to the extent that this Declaration and the Act expressly permit or require amendments that may be executed by the Declarant or by the Association, this Declaration (including the Plat) may be amended only by a vote or agreement of Lot Owners to which at least sixty-seven percent (67%) of the votes in the Association are allocated;

Section 22.2 Nonwaiver: Failure by Declarant, the Association, or any Lot Owner, Occupant or Eligible First Mortgagee to enforce any covenant, condition, restriction, easement, reservation, right-of-way or other provision contained in the Project Documents shall in no way or event be deemed to be a waiver of the right to do so thereafter.

Section 22.3 Severability: The provisions of this Declaration shall be deemed to be independent and severable, and the invalidity of any one or more of the provisions of it by judgment or court order or decree shall in no way affect the validity or enforceability of any of the other provisions, which provisions shall remain in full force and effect.
