Cars parked in front of the dumpster enclosure will be towed. “Up and down” units are permitted 2 parking spaces and 1-bedroom units are permitted 1 parking space. VII. OLD BUSINESS

The following Old Business item was discussed:

VIII. NEW BUSINESS

The following New Business items were discussed:

A. Deck Weight/ limited firewood storage on decks; An engineer has recently inspected the decks at Summit Yacht Club. Per the inspection, the engineer recommended that weight on decks be limited and that firewood placed on a unit deck at Summit Yacht Club cannot exceed an area of 3 ft. x 3 ft. x 3 ft. and that all firewood must be stored “against” the building, as opposed to “away from” the building. An “amount” and “placement” guideline has been sent to owners and placed on the website.

B. Tree Trimming; The Board and Owners discussed tree trimming. A spruce tree located between Summit Yacht Club and the Moorings is hindering views when pulling out of the parking lot; the tree is believed to be on the Moorings property. The Moorings will be approached to determine if trimming up is possible. Additionally, the Owners discussed tree trimming for “view’s”. There was no objection from the Owners to remove / trim trees for view improvement. Owners are reminded that they must receive Board approval prior to completing any tree removal/ trimming.

C. Cable TV; The HOA is currently in a contract with Comcast for “bulk” TV services. A survey will be sent to Owners to determine if the Owners wish to have the HOA continue to provide bulk TV services or if the Owners prefer to have this removed as an HOA provided service and dues reduced.

D. Sound Proofing; The Owners discussed the possibility of adding sound proofing between floors. Information will be gathered and distributed.

E. Concrete patch; A concrete patch is needed near building 6; this will be completed.

F. 2020 Annual Owner Meeting Date; the 2020 annual owner meeting will be held on Saturday 18th.
